

The Transgender Leadership Summit is an annual skills-building and advocacy conference for transgender community members, families, and allies in California. This event is open to individuals of all skill levels involved or interested in advancing civil rights for transgender people.

This year will be the 4th Transgender Leadership Summit and is being held in San Diego on the UC San Diego campus. Each year the conference has grown in size and reputation allowing us to reach hundreds of community members working to share and build their leadership skills.

A conference of this importance and magnitude is not possible without the sponsorship and contributions of the larger queer community. We hope to count your organization among our supporters for this year's Transgender Leadership Summit.

"The Transgender Leadership Summit gave us the foundation we needed to begin organizing grassroots community activism in our corner of the state."

-Ben Hudson, Sacramento
Transgender Coalition

"It was amazing to have an energetic & highly educated individual speak to us about this issue. He has the tools and the knowledge that he was able to share and actually able to provide people with ideas."

- '08 Health Insurance
Workshop Participant

"As a heterosexual ally, I have learned so much and have received a better understanding of a community that has given me some of the most beloved people in my life. Thank you for educating me and allowing me to grow. Be assured that the seed you have planted in me will not remain underground and without light"

- '08 Summit Attendee

"It informed me of items and issues I was not aware of within my own community."

- '08 Summit attendee
