

Examples of Successful Gender Neutral Bathrooms

Many Universities and Colleges already have successful gender neutral bathrooms

There are many Universities and Colleges across the country that have multi-stall gender neutral bathroom and shower areas. Below is a list of the schools that I found when I searched on the Internet under “co-ed bathroom University”. There are likely many more schools across the country with gender neutral bathrooms.

Stanford

University of California, Berkeley

University of California, Santa Cruz

University of Chicago

Rice University – Brown College, Texas

Wesleyan University

Hampshire College

Haverford College

Harvard University

Williams College

Swarthmore College

Reed College

Examples of other places with multi-stall gender neutral bathrooms

YWCA building in Boston

LGBT Center in NY City

Outside of the United States

Gender neutral multi-stall bathrooms are common in other countries including:

Israel

Sweden
